1

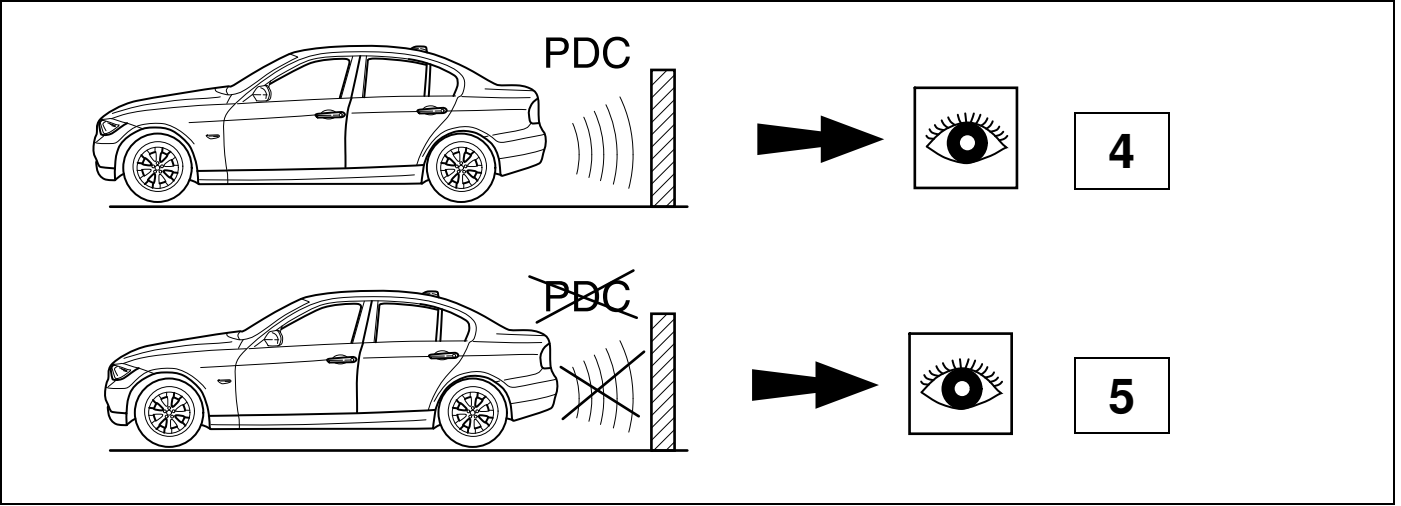

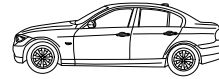

The diagram illustrates the correct procedure for using the key to start the car. A hand is shown inserting the key into the ignition, with a '1.' label and arrows indicating the direction. To the right, a car battery is shown with its positive (+) and negative (-) terminals. Above the battery is an upward-pointing arrow with three horizontal lines below it, indicating a warning or important instruction. Below the battery is an eye icon, and to the right is an open service manual with the word 'SERVICE' on the cover. A large warning triangle with an exclamation mark is positioned at the bottom left of the diagram.
